City. Nature. Stillness.

Enjoy smooth check-in, secure on-site parking, and 24/7 front desk service. Rooms are designed with natural wood elements, blackout curtains, ergonomic workspaces, and minibar comforts — offering space to rest, reflect, or focus.

The lobby is a green haven, with vertical gardens, soft lighting, and the soothing aroma of herbal teas. Here, time slows down.

Evenings, gently curated.

Evenings at Regen are all about conscious unwinding. Join a game night, sip herbal tea with soft jazz in the background, or borrow a book and retreat to the reading lounge.

Occasional events include poetry readings, board game evenings, and "slow talk" circles with candlelight.

No screens. No stress. Just calm engagement.
